

Sweet or savoury? It's a delicious winter!

zak!designs have expanded their **Sweety** collection of trays, cake lifters, plates and cake stands for your end of year festivities with colourful gift sets.

The little rose-shaped dishes, flower shaped plates and fun sets will let your imagination run wild! And the cherry on the cake is the sweet new colour – Raspberry.

Impress your guests with these colourful **Crazy Picks** cocktail sticks. They are perfect for starters & snacks or to jazz up the table.

The **Rosy**, **Nesty** and **Tasting** sets are perfect for an original present idea or any festive occasion. The little sets of bowls will give an original twist to how you present your dried fruits, condiments, sauces and spices...and they stack to save space too!

It doesn't matter if you are sweet or savoury, this collection is sure to brighten up your table for your end of year festivities!

Stylish, daring & innovative, zak!designs will brighten up your table!
