

## Garden Rose A breath of nature...

This beautiful flower in dazzling spring colours is an optical illusion!

As you may have noticed, the **Rose** is actually a set of 4 rose-shaped bowls that nest inside one another. They are perfect for delicately presenting and serving your culinary concoctions,

***Garden*** is the name given to this springtime colour combination: Green, kiwi, sun and cherry.

Garden Rose, a beautiful flower blooming on your table that is as useful as it is dazzling!
