

CHESTNUT

A winter sorbet!

CHESTNUT is the new colour scheme for zak!designs' winter collection.

The new **CHESTNUT** colour is a delicious mix of chocolate and taupe tones. The result - A beautiful, soft and ultra-feminine colour!

Combined with three of the colours from summer 2015 – sky blue, kiwi green & candy pink, CHESTNUT adds a warm winter touch to the delicacy of the sorbet pastel colours.

With zak!designs, you'll have no trouble keeping up with this winter's trend. All of our favourite zak!designs products are available in the new CHESTNUT colour (and there are some brand new products too!). Here's a sneaky peek at some of them:
