

## FULLA Arty Party

Fulla... The new chic, nature inspired concept by zak!designs.

These delightful little leaf-shaped plates will find the perfect place on your table.

On the menu are colours and design...inspired by nature, this colourful, stylish collection will inspire your creativity and your taste buds!

The plates come in 3 sizes for an original 3 course meal:

To start; top them with your favourite hors d'œuvres and place them delicately on the tray.

For a nature inspired meal; fill the 13 cm plates with skewers of exotic fruits, salmon and prawns.

And to finish; use the large 19.5 cm leaves for your ham and cheese crackers or cupcakes and cream. Your guests will be sure to come again!

Fulla, the latest arty craze that will put you in the mood for cooking and entertaining.
