

Gallery Tray Colourful service guaranteed!

The Gallery Tray, has become the must have serving item!

From dinner trays to lap trays or snack trays, there is a tray for every occasion and all the seasons. Practical and colourful - no household can go without one!

On the menu: simplicity, fun and entertainment.
What are its assets?

A large array of colours.

4 different sizes adapted to each of its multiple uses.

2 cleverly incorporated handles.

Same-sized trays are stackable.

Small trays fit perfectly into the big trays to save space.

Like all fans, you'll want to complete the whole collection!

**zak!designs offers a rainbow of fun for that
guaranteed colourful service.**
