

On the go!

The colourful nomad collection

With zak!designs nomad collection, you'll see all the colours of the rainbow (even if the skies are grey!).

The 2-tier stackable lunch boxes in dazzling colours come complete with cutlery. Take your food with you and heat it up when you're on the go!

Quench your thirst when you're on the go...in the office, at a picnic, or out shopping with zak!designs water tight bottles.

Practical, with an original design the nomad lunch box and water tight bottle will fit easily in your bag and make your daily life easier.

On the go ... The collection that moves!
