

Rose Bowls

Offer a bouquet of roses!

These delicate rose petals are perfect for presenting and serving your delicious culinary concoctions or to offer a loved one.

With this 4 pc bowl set you are sure to impress your guests. They won't be able to turn their noses up at anything!

Colourful – You have the choice between 4 trendy multi-coloured sets.

Practical – The bowls fit inside one another like a flower to save cupboard space.

Big or small – You have the choice between 2 sizes: The big set for serving all your dishes or small for presenting snacks or sweets. They are ideal for birthday parties!

Original – They make an original and colourful gift. They are nicely gift boxed too!

As if by magic, you will feel a refreshing romantic breeze in your life...

With style and innovation, zak!designs will brighten up your daily life.
