

WAVE

A new, elegant and colourful wave of tableware.

Wave is the new & sophisticated Autumn/Winter collection by zak!designs. Like a ripple in the water, fine lines sweep around the bowls creating an embossed finish.

Stone is the new season's colour. The deep taupe grey hue with a hint of purple, contrasts beautifully with the berry, coral, kiwi & mint colours.

The salad servers with long handles and rounded tips are perfect for tossing and serving your favourite salads.

Finally, the round serving platters complete this elegant collection that you will appreciate and enjoy having at your table.

Dress your table to impress with Wave; colourful, dynamic and original tableware by zak!designs.
