

Dot Dot Double Wall

zak!designs glassware collection

A new decorative collection made of glass for hot drinks?

zak!designs are always full of surprises!

It's the big new addition we've all been waiting for from this creative, fun and innovative brand. Say goodbye to your average, boring transparent glass... zak!designs bring you their colourful double wall collection with dots cleverly printed on the inside wall of the glass.

No doubt, you will recognise the famous DOT DOT pattern...you'll also find this emblematic design on zak!designs' plastic soda glasses and pitchers.

This innovative double wall borosilicate glass collection features:

3 different sizes for your favourite hot drinks; espressos, cappuccinos, tea etc.

A double wall: It will keep your drink hot for longer and you can hold your glass without burning your fingers.

A choice of 4 different dotty colours; black, red, green or white.

Multiple uses: Use them not only for hot drinks but also for serving other culinary creations.

Refrigerator & microwave safe: Double Wall is not afraid of anything!

Sold separately: zak!designs let you choose your colours and the number you need.

With DOT DOT DOUBLE WALL, zak!designs continues to surprise us!
