

DOT DOT BISTROT Retro style !

In 2015, zak!designs created their double wall borosilicate glass line for hot and cold drinks.

As a result of this successful introduction, the brand now proposes additional colours and shapes!
Espresso, long coffe, tea size...and now ice cream!

Imagine all the smoothies you can create! Fruits, beware of the blender!
Before summer, while it's still cold, enjoy a creamy capuccino...

A lovely generous touch of vintage and nostalgia into these dots...back to the 50's!

Enjoy those authentic moments with zak!designs.
